Sir,

In forwarding herewith letter No.1 dated 1st July 1926 received from the President, Town Municipal Council, Chitaldrug, reporting the action taken on the several points mentioned in Government order No. L.. 6456-9 Ml.127-25-8 dated 14th April 1926 sanctioning the proposal of the Municipal Council to abolish octroi on all articles except Kerosine oil, betel-leaves and cloth in the town from 1st July 1926, I have the honor to state that the revision of house tax entrusted to a special Committee is reported to have been completed resulting in a net increase of about Rs 1500.

It is also reported by the President that there was an increase of Rs 1500 in the toll contract for the year 1926-27 and as a total increase of Rs 3000 is thus anticipated the Government order sanctioning the abolition of octroi has been given effect to from 1st July 1926.

The sanction of Government re the levy of octroi on petrol received on 2nd July 1926 has been separately communicated to the President.

As regards the levy of toll on motor buses I beg to forward herewith letter No. 9/26-27 dated 3rd July 1926 received from the President and to state that as prayed for therein the proposal of the council to levy toll on motor cars and buses may be kindly sanctioned very early, the rate being reduced and fixed at annas eight both for buses and cars alike.

Sir,

Adverting to Government order No.L.6456-9/ML.127-25-8 dated the 14th April 1926 sanctioning the proposal of the Municipal Council to abolish octroi on all articles except cloth, kerosine oil and betel leaf in this Municipality with effect from 1st July 1926, subject to the condition that the existing house tax should be suitably revised, octroi imposed on petrol, toll levied on motor cars and buses and a substantial increase in income guaranteed, I have the honor to invite reference to my letter No.955 dated 26th May 1926 submitting proposals for the levy of octroi on petrol and toll on motor cars and buses and to state as follows:-

No bidders having come forward at the time of the sale of the right to collect tolls at the Municipal Toll gates for the year 1926-27 held on 15th May 1926, an attempt was made to lease out the right by calling for tenders but as even this failed, the right was re-advertised to be sold this day (28th June 1926). Though I conducted the sale in person, no proper bids could at first be secured the bidders apprehending a loss I had therefore, to give an assurance to the bidders present, that octroi would be abolished on all articles other than cloth, betel leaf and kerosine oil and petrol and that the right of collecting toll on motor cars and buses would also

be conceded on receipt of needful sanction from Government. The situation thereupon improved and ultimately an amount of Rs 11,500 was secured as the highest bid resulting in an increase of Rs 1500 over the contract amount of the current year.

As there is likely to be an increase of about Rs 1500 in revenue under house tax also, the probable fall under octroi by its abolition on articles other than those specified above, is more than compensated and the expectations of the Municipal Council in the matter of the increase of revenue under the above two items seem well founded. I have therefore issued necessary instructions to the Vice President to abolish the levy of octroi on articles other than betel leaf kerosine oil and cloth with effect from 1st July 1926.

I request that early sanction may kindly be accorded to the imposition of octroi on petrol and toll on mptor cars and buses.

Sir,

With reference to your letter No.L.7739 dated 30th June 1926 communicated to me by the Deputy Commissioner, Chitaldrug, with his memo No. 241 dated 2nd July 1926 regarding the revision of rates of toll proposed to be levied on motor buses, I have the honor to state that as the levy of toll at 12 annas is not, at present, authorised by the Municipal Regulation, the rate may be reduced to 8 annas and very early sanction accorded to its levy with effect from the current year, as the toll contractor may otherwise put forward a claim for substantial remission of the contract amount.

A meeting of the Municipal Council will be held on 31st July 1926 and a formal resolution accepting the rate will be obtained and communicated to you as early as practicable.
